## Agreement to Rent from GoAirheads:

I, \_\_\_\_\_ understand that this form must be filled out prior to renting any equipment from GoAirheads. In signing, I understand that I will be held responsible for any and all repair charges, up to and including, full replacement charges if the rental is broken, stolen, lost, or damaged in any way. I understand that when the item is rented to me that I am responsible even if someone else breaks it, damages the rental or loses the rental I will have to cover the cost immediately and then go to the other party privately to have them reimburse GoAirheads. If the cost of the rental(s) that is/are broken, stolen, lost, and/or damaged in any way is not paid for immediately, then all rental equipment under this form will be confiscated. This agreement applies to any parts of the rental, ie; magazines, batteries, sights, masks etc. This agreement is understood by my parents if I am a minor (under the age of 18). I agree to only use the battery provided to me by GoAirheads and to only use high quality biodegradable .20g+, polished BB's. I may purchase BB's from GoAirheads or bring my own, but understand they will be inspected by GoAirheads personnel for approval. If I don't adhere to these requirements I take full responsibility for any damages to the gun and therefore will pay for repairing and/or full replacement of the gun, with no dollar amount deducted for the age of the gun and it being taken away. I understand I am taking full responsibility for all rentals listed on the back of this form.
